Baker Botts is an international law firm helping clients navigate through a variety of complex legal challenges. We assist firms through our global network spanning four continents with more than 725 lawyers working in 13 offices. Our clients include a wide range of public and private companies in the energy, technology and life science industries.

Throughout our 170-year history, we have provided creative and effective legal solutions while demonstrating an unrelenting commitment to excellence. Our broad experience and in-depth knowledge of our clients and their industries has fostered a distinguished tradition of quality service. Today, we operate on the global stage and provide clients with versatile, experienced teams to protect and expand their interests through novel solutions delivered in a cost effective and efficient manner.

We have the experience, the knowledge and the people to solve our clients' most significant legal challenges.
