Estudio Muñiz, founded in 1981, has considerable professional experience in all areas of the law and is the largest full service firm in Peru, playing a prominent role in Peru's legal circles. The firm's attorneys have graduated from the most prestigious local universities and many of them hold a Master's degree from leading U.S. and European universities. Several of our lawyers regularly publish legal articles in specialized dailies and magazines.

Our firm tries to develop a solid commitment and a long-term relationship with its clients in order to be in a position to identify their business objectives and offer the necessary professional support, coupled with expertise, creativity and common sense. We assign a lawyer, called "Attache", to each client, and said Attache is responsible for being in direct contact with the client, and for seeking the most efficient and cost effective strategy to be applied in each specific case entrusted to our Firm. If due to the nature of any given case, the participation of more than one specialized area is required, the Attache will be responsible for setting up an appropriate work team of partners, associates and legal assistants to deal with said specific case.
