Allende & Brea is one of the largest and most prestigious full-service law firms in Argentina, focusing primarily on the business community.

The firm has specialists in all branches of law, qualified to provide its clients with practical business solutions that are viable, innovative when necessary, and always cost effective. With offices in Buenos Aires, and a worldwide network of correspondents developed over many years of cross-border practice, with a special focus on Pacific Rim countries, Allende & Brea can provide access to global legal assistance for its local clients.

The firm is organized into teams, each focusing on a specific industry or area of legal discipline. Depending on the scale and complexity of each case, we either provide a single attorney or put together a task force of appropriate size. Each client is assigned a supervising partner familiar with that client's business activities and legal needs and who is responsible for the overall relationship. Many lawyers at Allende & Brea have completed a Master of Laws degree in the US or Europe and worked abroad at some of the preeminent law firms, bringing back with them an important exposure to the globalized marketplace.

Allende & Brea's practice embraces the full spectrum of corporate matters, including joint ventures, mergers and acquisitions, banking, securities and financing, bankruptcies and reorganizations, foreign investments, government negotiations, insurance and reinsurance, oil, gas, mining and natural resources, litigation and arbitration, labor, tax and environmental law and other regulatory matters, communications and broadcasting, intellectual property, real estate and other related transactions.
