Kochhar & Co. is one of the leading and largest corporate/commercial law firms in India. The Firm enjoys the distinction of being the only Indian law firm with full service offices in the major cities of New Delhi, Gurgaon, Mumbai, Bangalore, Hyderabad and Chennai, and a branch office in the United States in Atlanta, Georgia.

The Firm offers a wide range of legal services in all areas of law with a special focus on foreign investments, joint ventures, mergers and acquisitions, transfer of technology, infrastructure projects (with emphasis on project finance), formation of subsidiary companies, capital market transactions, banking and finance, real estate projects and regulatory approvals.

The Firm represents some of the largest multinational corporations from North America, Europe and Japan. The Firm has a niche practice in advising these corporations in doing business in India on all Indian laws and regulations that are relevant to their business in the country.

The Firm's office in Bangalore (also known as the Silicon Valley of India) is a pioneer in the field of technology law in India. The technology law practice is focused on the information technology industry covering a wide range from information technology contracts, internet, e-commerce law and intellectual property to venture capital investment, securities offerings and employee benefits.

The Firm also has an office in Chennai, the gateway to Southern India, which is considered to be one of the most attractive destinations for foreign investments. The Chennai office of Kochhar & Co. represents some of the largest corporations in the world on a wide range of corporate, commercial and contentious issues. Some of the important practice areas of the Chennai office include labor/employment laws, taxation and real estate.

Gurgaon or the Millennium City, as it is often referred to, is located in the National Capital Region. The office provides comprehensive legal support to its clients in Gurgaon, many of whom are leading players in the IT Sector. The Firm has an integrated Intellectual Property ("IP") law practice which is widely recognized as one of the premier practices in the Indian IP fraternity and is also based in the Gurgaon office.

The Hyderabad office of the Firm is a full service office offering legal support and services in all areas of commercial, corporate and business laws. The Hyderabad presence also has an extensive tax litigation practice. This office represents some of the largest information technology companies in the world.

The Firm's Atlanta office provides legal support to North American companies in setting up business operations and/or entering into any commercial transactions in India.

The Firm has a stringent "client satisfaction programme" that lays down important guiding rules, regulations and principles to provide the highest quality level of service. All members of the firm strictly adhere to the firm's client satisfaction manual to ensure that amongst other things, quality and response time of the highest international standards are maintained and client satisfaction is optimized.
