About Morgan Lewis

Morgan Lewis was founded in 1873 and has steadily grown over the past 130 years. The firm has more than 300 lawyers in its San Francisco, Palo Alto, Los Angeles and Irvine offices. Morgan Lewis has more than 1,400 lawyers firmwide in several industry sectors, including: Intellectual Property, Life Sciences, Media and Information, Securities, Technology, Immigration, Energy, Financial Services and Business and International Trade.

Morgan Lewis lawyers handle the most complex transactional and litigation needs of the world's largest corporations. We are dedicated to providing efficient, personal and professional attention to every engagement for every client. We represent foreign-based clients in cross-border transactions, litigation and regulatory matters. For more than a century, Morgan Lewis lawyers have helped clients achieve their business goals, and clients have come to rely on the firm for its tradition of professional excellence and client service.

Our lawyers are organized in a practice group structure that enables them to serve clients in specific areas of law and in interdisciplinary industry groups. We have pursued a client-focused strategy to ensure that we have and continue to develop knowledge in specific fields and industries. We understand the day-to-day commercial realities of our clients and we deliver practical and cost-effective solutions.

Many of our practice groups and individual lawyers have received international recognition for their distinguished work on behalf of clients, as well as for being leaders in their fields. A significant number of our lawyers have come from senior positions at governmental agencies, including the U.S. Securities and Exchange Commission, Federal Trade Commission, Internal Revenue Service, Department of Justice and U.S. Attorney offices. As a result, we have a keen understanding of the global regulatory issues that our clients face today, as well as deep insight into the workings of key regulatory agencies.

Morgan Lewis is a fully integrated, multipractice law firm that serves global clients. For more than 50 years, Morgan Lewis has represented industrial, financial services and trading companies in Asia, in technology, heavy industry, life sciences, media, energy, investment banking, private equity and venture capital. Our Asia Practice involves all offices and practice groups of the firm on behalf of Asian, U.S. and European clients.
