Muñiz Ramirez Pérez-Taiman & Luna-Victoria founded in 1981, has considerable professional experience in all areas of the law and is the largest full service firm in Peru, playing a prominent role in Peru's legal circles.

Today the firm has 166 attorneys in Peru and 22 in Ecuador graduated from the most prestigious local universities and many of them hold a Master's degree from leading U.S. and European universities. Several of our lawyers have successfully filled important public and government positions and currently serve as professors at the most important law schools in Lima. They regularly publish legal articles in specialized dailies and magazines.

Our firm tries to develop a solid commitment and a long-term relationship with its clients in order to be in a position to identify their business objectives and offer the necessary professional support, coupled with expertise, creativity and common sense.

We assign a lawyer, called "Attache", to each client, and said Attache is responsible for being in direct contact with the client, and for seeking the most efficient and cost effective strategy to be applied in each specific case entrusted to our Firm. If due to the nature of any given case, the participation of more than one specialized area is required, the Attache will be responsible for setting up an appropriate work team of partners, associates and legal assistants to deal with said specific case. In this way, the client's needs are addressed in every instance on an interdisciplinary basis.

Our firm has its main office in Lima and also has an office in the cities of Trujillo, in northern Peru, Arequipa, Chincha and Ica in the southern region of the country, as well as offices in Quito and Guayaquil (Ecuador). The firm's client base includes large bank, insurance, energy and industrial companies and multinational institutions conducting cross-border business.

Our attorneys practice in the following areas:

- Agribusiness
- Banking & Insurance, Capital Markets and Project Finance
- Bankruptcy and Corporate Workout
- Bidding Processes
- Competition
