Simpson Grierson is one of New Zealand's leading and largest law firms, with 48 partners and more than 200 legal staff across our Auckland, Wellington and Christchurch offices. We deliver legal expertise across all areas of commercial law to the highest international standards and our client portfolio includes many of the world's leading organisations.

Clients recommend us for our technical excellence and our ability to provide high level strategic advice. This combination provides significant commercial value and differentiates us from our competitors. This is why we are chosen to advise on some of the largest and most complex deals in the region.

Simpson Grierson is an innovative and bold firm, offering technical excellence and lateral solutions. We constantly seek to understand our clients' business, and the industries in which they operate, to be the best legal partner New Zealand has to offer.

Our leadership is reflected in our constant recognition in global directories and rankings. Globally, we are working on some of the leading cross-border initiatives in areas such as Climate Change and Environmental, Energy, Mining and Natural Resources, Banking and Finance, and Mergers and Acquisitions.
