Introducing TozziniFreire: Brazil’s Legal Services Innovator

Since 1976, TozziniFreire has distinguished itself as a premier, full-service law firm by consistently providing legal services to domestic and international companies in a wide variety of business sectors. Along these years, we have played a major role in many of the most significant transactions in the Brazilian market, becoming one of the largest and most prestigious firms in Latin America. What has driven the firm’s growth and differentiated us in the legal industry is our obsession in delivering results for our clients. Their achievements are the foundation on which our own success relies.

Another major reason for our consistent success – and another major point of pride to everyone at TozziniFreire – is our demonstrated record as Brazil’s leading innovator when it comes to evaluating what we do and how we can do it better, improving the way we work for clients, developing and expanding our expertise, becoming more efficient and cost-effective in the way we deliver our services, treasuring our people and giving back to our profession, our community and the world around us.

TozziniFreire has extensive experience in assisting international companies in setting up their enterprises or ventures in Brazil. Its areas of specialization include corporate transactions, mergers and acquisitions, antitrust, restructuring and insolvency, capital markets, banking and finance, litigation, white collar crimes, arbitration, asset planning, compliance & investigation, consumer affairs, corporate social investment, international and local contracts, international trade, investment funds, corporate finance, private equity & venture capital, project finance, tax, intellectual property, real estate, environmental law, labor, immigration, and administrative law. Our industry focused groups include: agribusiness, automotive, bioenergy/ethanol, engineering & construction, energy, timberland investment, infrastructure, life sciences, shipping & logistics, media & entertainment, mining, climate change and carbon market, oil & gas, insurance and reinsurance, telecommunications/information technology, and water and sewage.
